The great Presidential campaign of 1868 has partly begun. One month later we'll the field, and our platform before the people. For the purpose of giving the widest circulation and the most efficient support to the principles of the Republican party, we have determined to put the price of THE CAMPAIGN WEEKLY TRIBUNE down to the mere cost of white paper. The reduced rate given below.

To ensure the election of GRANT and COLFAX, public opinion must be scattered broadcast over the land the trains of Republicanism must be impressed upon the minds of the patriotic masses. documents must be distributed, and in every possible way the people must be aroused to their duties and to duty. The most comprehensive, effective and convincing document that can be distributed in the Northwest is THE CHICAGO TRIBUNE. From the day that Gen. Grant was fired out of Fort Sumter, throughout the rebellion and to the present time, it has battled in the front rank with those who were fighting for the unity and integrity of the Republic, and for a lasting peace based on equal rights; and it stands to fight it out on that line. Republicans, if you want your neighbors to vote for GRANT and COLFAX, for PALMER and the STATE TICKET, send them copies of THE CAMPAIGN TRIBUNE. When they once become imbued with the principles of the Republican party, they will vote for the ticket at every subsequent election.

THE CAMPAIGN TRIBUNE, in addition to its own discussions of the issues of the campaign, will contain reports of public meetings held in all parts of the country, and especially of those occurring in the Northwest, together with important speeches and documents.

ONE HUNDRED THOUSAND copies should at once be distributed throughout the Northwest. Get up clubs at once. Now is the time for action. The circulation of THE TRIBUNE is already large, but we are able to print more, and are willing to do so at the bare cost of material, saying nothing about labor. We therefore offer the

THURSDAY EVENING, August 5.

In the monetary, if anyone will harness you to a horse and drive you to the nearest bank, you will find all sorts of old men in Perseverance, Illinois, and Constantinople. A Greek merchant in Constantinople, who had been in the habit of receiving his remittances from Smyrna, Turkey, in the form of gold, was astonished to receive a letter from his correspondent in Smyrna informing him that he had remitted him the amount in paper money, which he would find on board the steamer Charles Edwards, Wyatt, Chisholm & Co., of New Brighton, Pa., exhibits a line of their celebrated Diamond Flint Glass Lamp Chimneys and Globes, which will surprise your grandmother and fill us with envy.

Joseph Chance & Sons, of Jacksonville, Ill., have, on the 1st inst., opened a branch office in Chicago, at No. 70 Lake street, with Messrs. Hall & Dyer as agents. The Messrs. Chance are the largest manufacturers of window glass in the United States, and their brand is a guarantee of excellence.
